PA Announcements

Principals are asked to inform and encourage to:

- Make daily morning and afternoon PA announcements
- Scripted options are available in the SIFL toolkit

Examples:

Morning Announcement

“Good morning (insert school name or mascot), today’s *“Save It for Later”* breakfast items are the Cheerios and the fresh apple. You can save these items to eat later in the day or during recess.”

Afternoon Announcement

“Hello Superstars! The new cafeteria menu features stars next to each menu item. Students are required to choose at least a 3 different starred items; one of those stars must be a fruit. Choose your superstar meal!”

BIC Reminders

Successful BIC Program Criteria

- The pre-selection of meals and placing them on desks is not allowed
- Check marks next to student's names on the roster indicate that a **reimbursable meal** (a minimum of **3** different items of which 1 is a fruit) was selected
- A dash mark indicates a student is absent/not participating.
- **All items not selected** by students **must remain** in the BIC Bag and be returned to the cafeteria.
 - This is a **critical point for reducing waste** and allows for potential donations to non-profit organizations
- BIC should be served during the schools' serving time; do not save meals for late arriving students

Sharing Table

Implementation Steps in Setting Up the Sharing Tables:

1. Designate a Breakfast “sharing table” in classrooms or eating area (for Grab-N-Go sites)
 - Items already selected by students to meet the reimbursable meal requirements may be placed here for others wishing to have seconds
 - Items on the sharing tables may be selected by others students to eat at a later time on campus
2. All items left on the sharing table after breakfast meal service must be discarded and not saved or returned to cafeteria.

LAUSD Food Donation Program

- To setup a new food donation process at your school:
 - a) Let your Principal know that you are interested in beginning the process
